Independent Auditor's Report

To
The Members of
OMAT Business Private Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

1. We have audited the accompanying Ind AS financial statements of OMAT Business Private Limited ('the Company'), which comprise the balance sheet as at 31 March 2024, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information ('the Ind AS Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit and other comprehensive income, changes in equity and its cash flows for the year then ended.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the Ind AS Financial Statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and

the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS Financial Statements.

Other Information

5. The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the Ind AS Financial Statements and our auditors' report thereon. The Other Information is expected to be made available to us after the date of this auditor's report.
6. Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
7. In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements

8. The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the Ind AS Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going

concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

10. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Ind AS Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

12. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Ind AS Financial Statements in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d. Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Financial

Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e. Evaluate the overall presentation, structure and content of the Ind AS Financial Statements, including the disclosures, and whether the Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

15. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
16. As required by Section 143(3) of the Act, we report that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The balance sheet, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the cash flow statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid Ind AS Financial Statements comply with the applicable Ind AS specified under Section 133 of the Act.

- e. On the basis of the written representations received from the directors as on 31 March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls with reference to Ind AS Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
- g. In our opinion and according to the information and explanations given to us, the remuneration paid/payable by the Company to its directors for the financial year under report is in accordance with the provisions of Section 197 read with Schedule V of the Act.
17. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company has no pending litigation as at 31 March 2024. Accordingly, there is no impact on the Ind AS Financial Statements.
- b. The Company has made provision as required under applicable law or Ind AS for material foreseeable losses, if any, on its long-term contracts in nature of providing long term services to its clients. The Company does not have any derivative contracts.
- c. The management has represented to us, to the best of their knowledge, that no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.
- d. The management has also represented to us, to the best of their knowledge, that no funds (which are material either individually or in aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.

- e. The Company has not declared or paid any dividend for the year or during the year.
- f. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of an audit trail feature being tampered with. Furthermore, as the proviso to Rule 3(1) of the Companies (Accounts) Rules 2014 is applicable from April 1 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014 on preservation of audit trail as per statutory requirements for record retention is not applicable for the financial year ending March 31, 2024

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

Opinion(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of OMAT Business Private Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of OMAT Business Private Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date which includes internal financial controls over financial reporting of the Company's Joint Operations which are companies incorporated in India

Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Company and its Joint Operation Companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its Joint Operation Companies incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about

whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its Joint Operation Companies incorporated in India

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company and its Joint Operation Companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company and its Joint Operation Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note-37 Employee Benefit-Post Employee Benefit Plans

Defined Contribution Plans

The Company makes contributions, determined as specified percentage of employee salaries in respect of qualifying employees towards provident fund which are defined contribution plans. The Company has no obligation other than to make the specified contributions. The contributions are charged to statement of profit and loss as they accrue. The amount recognized as expense towards contribution to provident fund aggregated to Rs.22.91 lakhs.

Defined benefit Plans

Each employee rendering continuous service of 5 years or more is entitled to receive gratuity amount equal to 15/26 of the monthly emoluments for every completed year of service subject to maximum of Rs. 20 Lakhs at the time of separation from the Company. The most recent actuarial valuation for gratuity was carried out as at 31 March 2024. The present value of the defined benefit obligations and the related current service cost and past service cost, was measured using the Projected Unit Credit Method. The gratuity liability of the Company is not funded.

The following table sets forth the status of the Gratuity plan of the Company and the amounts recognized in the Balance Sheet and the Statement of Profit and Loss -

A. Gratuity

I. Net liability recognized in the Balance Sheet

V. Principal Actuarial Assumptions

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Actuarial assumptions for Gratuity		
Discount rate	7.20%	7.43%
Salary escalation rate (per annum)	3%	3%
Retirement age	60	60
Mortality rate	5% of IALM 2012-14	100% of IALM 2012-14
Withdrawal rate		
-Up to 30 years	3%	3%
-31-44 years	5%	2%
-Above 44 years	1%	1%

The estimates of future salary increase, considered in actuarial valuations, take account of inflation, seniority, promotions and other relevant factors, such as supply and demand in the employment market. Assumptions regarding mortality are based on published statistics and mortality tables. The calculation of the defined benefit obligation is sensitive to the mortality assumption.

VI. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Particulars	Increase	Decrease
As at 31 March 2024		
Discount rate (1% movement)	4.26	5.97
Salary escalation rate (1% movement)	5.95	4.20

VII. Risk exposure

Interest rate risk: The plan exposes the Company to the risk off all in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

Liquidity risk: This is the risk that the Company is not able to meet the short-term gratuity payouts. This may arise due to non availability of enough cash/cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Salary escalation risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

Regulatory risk: Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended). There is a risk of change in regulations requiring higher gratuity payouts (e.g. increase in the maximum limit on gratuity of Rs. 20 lakhs).

VIII. Expected maturity analysis of the defined benefit plans in future years (undiscounted basis)	As at 31 March 2024	As at 31 March 2023

Note 38: Financial risk management objectives and policies

The Company's financial risk management is an integral part of business plan and execution of business strategies. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the processes to ensure that executive management controls risks through the mechanism of property defined framework. The Company's principal financial liabilities comprises of borrowings, trade payables, other financial liabilities and financial assets includes investments, trade receivables, cash and cash equivalents, bank balances, loans, other financial assets that derive directly from its operations.

The Company's risk management procedures are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management procedures and systems are reviewed by the board annually to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's board of directors oversees compliance with the Company's risk management procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

The Company is exposed to market risk, credit risk and liquidity risk. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below

A. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk, such as commodity price risk and equity price risk. Financial instruments affected by market risk include investments, trade receivables, trade payables, borrowings, etc. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company does not have foreign currency transactions hence not exposed to foreign currency risk

ii) Interest rate risk

The Company's main interest rate risk arises from non-current and current borrowings with variable rates, which expose the Company to cash flow interest rate risk. Currently the Company's borrowings are within acceptable risk levels, as determined by the management, hence the Company has not taken any swaps to hedge the interest rate risk. The exposure of the Company's borrowings to interest rate changes at the end of the reporting period are as follows:

Particulars	As on 31 March 2024	As on 31 March 2023
Variable rate borrowings	1,754.54	2,272.54
Fixed rate borrowings	-	-
Total	1,754.54	2,272.54

Sensitivity analysis

A change of 100 basis points in interest rates at the reporting date would have increased (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables remain constant.

Particulars	As on 31 March 2024	As on 31 March 2023
Increase by 100 basis points	(17.55)	(22.73)
Decrease by 100 basis points	17.55	22.73

iii) Commodity price risks

The Company is affected by the price volatility of certain commodities. Its operating activities require the purchase of raw material and manufacturing of steel products and therefore, requires a continuous supply of certain raw materials. To mitigate the commodity price risk, the Company has supplier base to get best competitive prices for the commodities and to assess the market to manage the cost without any compromise on quality.

B. Credit risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from its operating activities (primarily trade receivables). The carrying amount of all financial assets represents the maximum credit exposure.

(i) Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The Company Management has established a procedure under which each new customer is analysed individually for creditworthiness. The Company's review includes market check, industry feedback, past financials and external ratings, if they are available, and in some cases bank references.

The Company establishes an allowance for impairment that represents its expected credit losses in respect of trade and other receivables. The management uses a simplified approach for the purpose of computation of expected credit loss for trade receivables.

Ageing of trade receivables are as under:-

Particulars	As at 31 March			
	Less than 1 Year	1 to 2 years	More than 2 years	Total
Unsecured	1,235.15	-	-	1,235.15

(ii) Cash and bank balances

The Company held cash and bank balances of Rs. 1138 lakhs (Previous year Rs. 928.32 lakhs). These cash and bank balances are held with high rated banks/institutions and therefore does not carry any significant credit risk.

(iii) Others

Other than receivables reported above, the Company has no other material financial assets which carries any significant credit risk.

C. Liquidity risk

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on a mix of borrowings and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium/ long term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

Note 39 : Financial instruments

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

I. Fair Value Measurement

The classification of financial assets and financial liabilities by accounting categorization for the year are as follows:

Particulars	As at 31 March 2024		As at 31 March 2023	
	Amortised cost	Fair value through profit and loss	Amortised cost	Fair value through profit and loss
Non-current				
Loans	-	-	271.68	-
Other financial assets	75.61	-	75.61	-
Current				
Trade receivables	1,235.15	-	359.19	-
Cash and cash equivalents	1,138.00	-	928.32	-
Other bank balances	-	-	-	-
Loans	269.75	-	351.88	-
Other financial assets	23.49	-	8.33	-

Borrowings	-	-	-	-
Lease liabilities	507.81	-	1,354.57	-
Current				
Borrowings	1,754.54	-	2,272.54	-
Lease liabilities	28.28	-	71.35	-
Trade payables	2,788.20	-	1,184.98	-
Other financial liabilities	2,951.23	-	2,828.49	-
Total financial liabilities	8,030.06	-	7,711.93	-

The Company considers that the carrying amounts of amortised cost of financial assets and financial liabilities recognized in the financial statements are approximate to their fair values.

(ii) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are:

- a. Recognized and measured at fair value and
- b. Incurred at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial Instruments at amortised cost

Particulars	As at 31 March 2024		As at 31 March 2023	
	Carrying amount	Fair value	Carrying amount	Fair value
Non-current				
Loans	-	-	271.68	271.68
Other financial assets	75.61	75.61	75.61	75.61
Current				
Trade receivables	1,235.15	1,235.15	359.19	359.19
Cash and cash equivalents	1,138.00	1,138.00	928.32	928.32
Loans	269.75	269.75	351.88	351.88
Other bank balances	-	-	-	-
Other financial assets	23.49	23.49	8.33	8.33
TOTAL	2,742.00	2,742.00	1,995.01	1,995.01
Non-current				
Borrowings	-	-	-	-
Lease liabilities	507.81	507.81	1,354.57	1,354.57
Current				
Borrowings	1,754.54	1,754.54	2,272.54	2,272.54
Lease liabilities	28.28	28.28	71.35	71.35
Trade payables	2,788.20	2,788.20	1,184.98	1,184.98
Other financial liabilities	2,951.23	2,951.23	2,828.49	2,828.49
TOTAL	8,030.06	8,030.06	7,711.93	7,711.93

Level 1: Hierarchy includes financial instruments measured using quoted prices. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities.

There are no transfers between level 1 and level 2 during the year.

Valuation technique used to determine fair value

The following methods and assumptions were used to estimate the fair values:

- a. Cash and cash equivalents, other bank balances, trade receivable, other financial assets, borrowings, trade payables and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- b. The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.
- c. Specific valuation techniques used to value financial instruments include:
 - the use of quoted market prices or dealer quotes for similar instruments
 - the use of net assets value for investments in unquoted mutual funds and equity securities
 - the fair value of forward foreign exchange contracts is determined as per valuation provided by the bank
 - the fair value of the remaining financial instruments is determined using discounted cash flow analysis

All of the resulting fair value estimates are included in level 2 except for unlisted equity securities, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.
