19. **Rationale of the Scheme:**

The reasons and circumstances leading to and justifying the proposed Scheme of the Transferor Companies with the Transferee Company, which make it beneficial for all the concerned stakeholders, including the members of the Transferor Companies and Transferee Company, are as follows:

- (i) **Operational integration and better facility utilisation:** *The amalgamation will provide an opportunity for reduction of operational costs through pooling of orders, improved sales and production planning. Further, culture of sharing of best practices, cross-functional learnings, will be fostered which will promote greater systemic efficiency. Also, pooling of resources of the Transferor Companies with the resources of the Transferee Company which will lead to synergy of operations, seamless access to the assets of the Transferor Companies.*
- (ii) **Simplified structure and efficiency:** *Simplification and streamlining of the corporate structure by reducing the number of legal entities in the group, thereby eliminating corporate redundancies, such as duplication of administrative work, duplicate work streams related to corporate governance, reduction of multiplicity of*

legal and regulatory compliances, and associated costs thereof.

- (iii) **Centralized procurement and Inventory management:** Inventory management and sourcing of stores, spares, and services can be managed centrally which will increase scale of operations thereby improving negotiating power, reducing sourcing and inventory management cost.
- (iv) **Efficiency in working capital and cash flow management:** Greater efficiency in management of cash balances presently available with the Companies and access to cash flows generated by the combined business. Further, efficiency in debt and cash management will improve substantially enabling the entities to have unfettered access to cash flow generated which can be deployed for growth and sustenance; and
- (v) **Efficiency in management of business:** Rationalization and standardization of the business processes, economies of scale, corporate and administrative efficiencies, and streamlining of operations to enable more efficient management, control and day to day operations, eliminating duplicative communication and burdensome coordination efforts across multiple entities. Amalgamation will help in achievement of greater management focus and control over the combined business operations.
- (vi) **Efficiency in customer approach:** The combined entity will have a broader portfolio of services targeted

at a wider array of customers. This will also enable the Transferee Company to address newer solutions and services to its customers and to the Transferor Companies customers and enhance its marketing capabilities.

Accordingly, the Scheme is commercially and economically viable, feasible, fair and reasonable and would be in the interest of the Transferor Companies and the Transferee Company, and their respective shareholders, creditors as it would result in enhancement of shareholders value, operational efficiencies and greater focus and would enable each of the Companies to vigorously pursue revenue growth and expansion opportunities and will not be prejudicial to the interests of any concerned shareholders or creditors or general public at large.

20. The Applicant Companies submitted that the Statutory Auditors have certified that the Accounting Treatment specified in the proposed Scheme is in conformity with the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013. The certificates issued by the Statutory Auditors of the Applicant Companies are placed on record as **Annexure-119** to the company application.

21. It is further submitted that the shares of the applicant companies are not listed on any stock exchange as well as the proposed Scheme does not attract the provisions of the Competition Act, 2002. Hence, the notice to Securities and Exchange Board of India and Competition Commission of India is not required to be sent.
